Dear Dr. Yetley,

Please be advised that Jarrow Formulas, Inc. is marketing a product containing a "Structure and Function" statement on the label. According to the notification requirements set forth by the DSHEA (Dietary Supplement Health and Education Act, 1994) legislation, please be advised of the following:

Name of Product: C + Herbs

Active Ingredient(s): Vitamin C

Claim(s): "Antioxidant Protection" – Vitamin C, a basic antioxidant, is essential for the synthesis of collagen and the health of connective tissue, gums, teeth and bones.

The following disclaimer appears on the label: These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients. A compendium of relative published research substantiating the above statement(s) is on file at the corporate office.

Respectfully submitted,

Siddharth S. Shastri, B.A., C.C.N.

Director of Product Development

Jarrow FORMULASTM
